

RAUDONDVARIS MANOR

RAUDONDVARIS MANOR

- Raudondvaris manor is the monument of the beginning of the 17th century of Renaissance architecture in Lithuania.
- The main building of the Raudondvaris ensemble is the castle-palace with a tower.
- The estate, together with 3.8 hectares of park and two oficina buildings, greenhouse, stables and icehouse, consists a single ensemble.

PI „Raudondvario dvaras“ main activities:

1. Organization of various types of events.
2. Participation in project activities.
3. Real estate rent.
4. Information, consultations, art studies, residence and training services.
5. Provision of support for small and medium-sized businesses, related to art.
6. International cooperation.
7. Participation in exhibitions, contact fairs.
